

OUR COMMUNITY'S AGENDA FOR CHANGE

EDUCATION

- Children are cared for and have fun as they become prepared for school.
- Students succeed academically and graduate high school, prepared for higher education, career and community.

INCOME

- More people are on pathways out of poverty.
- There is a decrease in family homelessness.

HEALTH

- People's health issues are identified and treated early.
- Seniors and people with disabilities are able to stay in their homes.

CHANGE DOESN'T HAPPEN ALONE

2017 VOLUNTEER RECOGNITION

The power of many. Working for all.

THANK YOU!

At United Way of Dane County, we know that change doesn't happen alone. As a United Way volunteer, you are part of an army of over 1,000 community-minded individuals who are fighting year-round to make Dane County a better place to live for all.

You are the hand-raisers, the game-changers, the band-together and take on the impossible task-masters. Together, you dedicate countless hours to our community's fight against poverty, improving tens of thousands of lives in the process.

Through the efforts of our incredible volunteers, United Way surrounds Dane County's most critical problems. No matter the obstacles, no matter the odds, you fight for those who need a voice, and those whose names we do not know.

United Way fights for the education, financial stability and health of everyone in Dane County.

Thank you for leading this fight.

With gratitude,

Renee Moe,
President & CEO
United Way of Dane County
