

Thank You

FOR BEING A PART OF UNITED WAY'S 2020 CAMPAIGN

During the most challenging year in recent history, our business community stepped up to make a big impact. Thanks to these committed organizations, we raised \$17.8 Million – reaching our campaign goal, even during a global pandemic!

The resources raised will help us to fuel nearly 800 nonprofits and more than 50 collaborations that work to support families and individuals as they overcome barriers and access the building blocks of well-being – a quality education, a family-supporting job and health supports. Thank you to all who contributed. **Together, we truly are The Power of Many. Working for All.**
