READI

RETIRED EMPLOYEES ARE DEDICATED INDIVIDUALS

United Way READI's mission is to enrich the quality of life in our community, provide retirees the opportunity to get involved and build community through group projects. You're invited to join us!

Over the course of a year, more than 100 READI volunteers devote 4,200 hours to dozens of projects such as bundling diapers at Babies and Beyond, packaging food products at Second Harvest Food Bank, preparing race packets for IRONMAN Wisconsin participants and staffing community events such as golf outings with Madison Symphony Orchestra and American Red Cross. Our leadership team helps members to engage with a wide-range of ongoing or one-time activities each month. Check out the events calendar and sign up to make an impact!

**“Volunteering is an important way of life for retired (and non-retired) individuals to stay active and involved, while providing assistance to so many. READI volunteers not only provide that assistance but they also have fun while doing it. We are proud to be part of the United Way family, where we can generate such a positive impact throughout Dane County.”**
