¹ Please see "Detailed Comparison of Community Plans in Madison and Dane County" for additional details of community plans.

² Required by state of Wisconsin (legislation enacted in 2000) known as 'Smart Growth' where every city, village, county and most towns would be guided by a comprehensive plan. This was done to ensure responsible planning; create a framework for the planning, reign in sprawl, and enhance the health of communities.

³ X indicates primary goal or strategy, Δ indicates secondary goal or strategy
⁴ Original element of 2003 Agenda for Change that has been removed in subsequent updates. This element is still funded through UWDC.

⁵ Required by Affordable Care Act

⁶ There are additional school district and university plans in Dane County, including Sun Prairie, Middleton-Cross Plains, Madison Community School Framework, Madison College, UW-Madison, etc.
