

Thank You Dane County!

Thank you, Dane County! Last year, you stepped up and raised \$16.8 million during our United Way of Dane County Community Campaign. Thank you for your continued support and generosity. In 2023, we innovated forward with the Plan for Community Well-Being – a plan built with our community, for our community. This vision for a brighter future focused on increasing individual and family well-being so that everyone in Dane County can lead healthy, thriving and secure lives – making our entire community stronger and better positioned to thrive. At United Way of Dane County, we’re proud to be the unifying force that brings each one of us together – our local nonprofits, businesses, community leaders, families, donors and volunteers. Together, we address big-picture issues no one person or organization can solve alone. **Together, we are The Power of Many. Working for All.**
