

2021 VOLUNTEER RECOGNITION

UNITED WAY THANKS OUR
VOLUNTEERS

WE ARE THE POWER OF MANY WORKING FOR ALL

Thank you for the time you've devoted and the passion you've shared with United Way during this historically difficult time.

When the world stopped, you didn't.

You came together to meet crisis with generosity and hard work – meeting the increase in need.

Thank you for playing this crucial role in helping our community recover and continuing to work toward building a Dane County where ALL can thrive.
