

THANK YOU DANE COUNTY!

Thank you, Dane County! Last year, 13,000 individuals, 600 volunteers and nearly 500 businesses stepped up to raise \$17.3 million during our United Way of Dane County Community Campaign. In 2024, we activated our Plan for Community Well-Being – a plan built with our community, for our community. This vision for a brighter future focuses on increasing individual and family well-being so that everyone in Dane County can lead healthy, successful and secure lives, better positioning our entire community to thrive. At United Way of Dane County, we're proud to be the unifying force that brings each one of us together – our local nonprofits, businesses, community leaders, families, donors and volunteers – to address big-picture issues no one can solve alone. **Together, we are The Power of Caring. Working for All.**
