

The POWER of
CARING.
Working for ALL.

You can help. At United Way of Dane County, we know there are hundreds of local nonprofits and programs doing important work – but we're better together. And it'll take every one of us to create the change we wish to see in Dane County. By working together with local businesses, nonprofits, community leaders, families, volunteers and donors, we're addressing big-picture issues no one person or organization can solve alone.

Together, we can inspire the power of one person willing to positively impact the life of another. That is **The Power of Caring. Working for All.** Visit unitedwaydanecounty.org to learn more.

LASTING IMPACT.

At United Way of Dane County, we mobilize the caring power of our community so all can thrive. True to our founding spirit, whenever lives are impacted and well-being is at stake in our community, United Way is there.

Our **Plan for Community Well-Being** supports individuals, children and families in Dane County. We invest in programs aligned to strategies that have the highest measurable impact within the areas of **Youth Opportunity, Financial Security, Healthy Community and Community Resiliency.**

Starting this year, when you give to United Way’s Plan for Community Well-Being, **100% of your donation will go directly to community impact – no overhead, just results.**

A donation from longtime supporters **Dan and Patti Rashke** and their **Dan & Patti Rashke (TASC) Family Foundation** acts as a powerful catalyst – amplifying the impact of your generosity. **Every penny of your individual and undesignated gift goes directly toward resolving the greatest needs in our community – a rare and remarkable advantage that few organizations can offer.**
