

UNITED WAY OF DANE COUNTY LINC FOR YOUNG PROFESSIONALS

Lead. Invest. Network. Change.

WHO WE ARE

We are building the next generation of philanthropic leaders. Our local network brings together young professionals, new employees and new residents. With a focus on community service and social connection, LINC is a great way to meet new friends, make a difference with your giving and grow your network.

WHAT WE DO

We don't just give, we show up! Being part of LINC for Young Professionals means finding people who share your values, not just your industry. Our events and volunteer projects make it easy to form new friendships and networks. We hope the people you meet through LINC are future collaborators, neighbors and friends, brought together by a shared commitment to our community.

JOIN US!

Become a member of LINC for Young Professionals with a suggested \$10 per paycheck donation (or \$250 a year). Elevate our community, your connections and your calendar through unique volunteer events! Our members experience firsthand the impact their generosity has in our community today, while helping to shape our community for tomorrow.

BECOME A LINC VOLUNTEER

The LINC Council creates and executes LINC's annual goals centered on engagement and community impact. This volunteer position is perfect for folks who are passionate about serving their community and looking for a fun way to give back.

Minimum Commitment

Council Meetings: Attend monthly council meetings (about 12 hours annually).

Event Engagement: Join 4 annual events and invite guests to build connections (about 12 hours total annually).

Digital Advocacy: Share Council posts to boost visibility.

Membership Representation and Growth: Serve as a LINC liaison to your workplace and the wider community. Promote impact and benefits and personally invite new members.
