

UNITED WAY OF DANE COUNTY

2026 DAY OF CARING:

LAUNCHING A SEASON OF CARING ACROSS DANE COUNTY

At United Way of Dane County, we mobilize the caring power of our community so all can thrive. On August 20, we launched our annual United Way Community Campaign with Day of Caring – a powerful day of volunteerism dedicated to supporting our neighbors in need. When families have access to essential supplies, our community becomes healthier and stronger.

This year's Day of Caring, led by **Jeff Tubbs**, Executive Vice President of Findorff and United Way's Campaign Chair, united more than **800 volunteers** to complete impactful projects that directly support local nonprofit partners across Dane County.

"Day of Caring connects hundreds of volunteers and shows what our combined impact makes possible. It's so energizing to see so many people and organizations from across Dane County show up for our community, and I can't wait to carry this energy forward and see what we make possible with this year's campaign."
