Topic: Helping Students Succeed

At this BVN Membership Meeting, we will focus on supporting youth to help them succeed in school and life. Learn about the challenges middle and high school students are facing, barriers to learning, and programs and services that are impacting their lives. And hear about how BVN members can make a difference through tutoring and supporting our youth.

And...the wait is over! We *will* be unveiling the all-new BVN members-only webpages! These will contain tools to facilitate networking, sharing best practices and archives of BVN newsletters and other resources.

Our panelists will be representatives from:

[United Way of Dane County/Academic Success](#)

[Urban League of Greater Madison/Schools of Hope Middle School Tutoring](#)

[Achievement Connections High School Math Tutors](#)

To learn more about our panelists & their organizations, checkout their websites - linked above!

Our service project will be putting together snack packs to benefit a local youth program. Please plan to join us at 7:30am for the service project and refreshments. The meeting will start at 7:45am.
