

VOLUNTEER UNITED

Your Company's Goals | Our Community's Needs

Volunteer with United Way of Dane County to build your team and benefit our community! We can help to align your corporate social responsibility and employee engagement goals with volunteer opportunities that create meaningful impact in Dane County. We provide a flexible and powerful platform that offers a variety of ways to educate and engage your employees and help support our neighbors.

Include United Way of Dane County volunteer engagements in your 2021 plans! Contact us for a custom proposal – fill out [this online form](#) to get started.

Packs for Impact!

Engage your employees through team-building volunteer events. We offer onsite, at-home and DIY options.

- **Be Well Packs** – provide basic health care items, giving short-term and urgent relief to individuals and families as they overcome illness. Cost per volunteer begins at \$55.
- **Healthy Snack Packs** – ensure students have access to affordable, nutritious food, setting the stage for academic success and future well-being. Cost per volunteer begins at \$60.
- **Menstrual Hygiene Packs** – provide access to menstrual hygiene products, ensuring individuals don't have to miss work or school because of a period. Cost per volunteer begins at \$75.
- **Personal Care Packs** – ensure individuals have access to personal care items, supporting their health and self-respect. Cost per volunteer begins at \$100.
- **Paper Product Packs** – provide paper towels and toilet paper to Dane County families, ensuring access to these essentials that are not covered by food and nutrition assistance programs. Cost per volunteer begins at \$135.
- **Diapers and Wipes Packs** – ensure families have access to an adequate supply of diapers, supporting them in accessing childcare and employment opportunities. Cost per volunteer begins at \$140.

Cost per volunteer includes all products, packaging, educational materials, coordination with nonprofit partners and staff support. We will create a custom proposal based on your interests and budget.

Your Impact

Your Company

- Workplace volunteerism supports your company's **corporate and social responsibility** goals.
- Offering volunteer opportunities is an **effective employee engagement tool** – employees say their job is more fulfilling when they are provided opportunities to make a positive impact on social issues.
- Employees who volunteer report that **volunteering improves their teamwork, time management and people skills** and **strengthens relationships among colleagues**.

Our Community

- Your investment will **support the financial stability and well-being of hundreds of local families**. Nearly 57,000 people in Dane County are experiencing poverty, including nearly 9,400 children.
- The **time given by your employees is a valuable asset**, supporting our nonprofit partners and helping them serve more people in our community.
- **Volunteering helps make our community stronger** – people who volunteer report feeling healthier, have improved moods and say that volunteering lowers their stress levels.

The Power of Many. Working for All. United Way brings people together to help make Dane County stronger. One of the ways we do this is through volunteerism – mobilizing the caring power of our community to make meaningful and lasting change.
