

BVN Community Conversation

Tuesday, October 16, 2018

5:00-5:20pm – Social/Networking/Refreshments

5:20-6:30pm – Community Conversation

Host: Quartz Rimrock Location
2650 Novation Pkwy, Madison

Topic: Access to Healthy Food

At this BVN Membership Meeting, we will focus on the importance – and challenges – of having access to healthy food. Not everyone has a way or the means to buy healthy food....they may be in a “food desert,” are unsure how to prepare certain foods or just haven’t been exposed to different food options. Find out about some key programs that are addressing this issue and bringing supplies of healthy food to food pantries, meal programs, etc. And you’ll hear about how BVN members can be involved in these efforts through volunteering!

Our panelists will be representatives from:

- [Troy Community Gardens/Community Groundworks](#)
- [Second Harvest Foodbank of Southern WI](#)
- [Madison Area Food Pantry Gardens](#)

To learn more about our panelists & their organizations, checkout their websites - linked above!

PLUS! We’ll be doing a drawing for 2 free registrations for our Dec 7th Strategic Collaboration for Community Engagement Conference!

This is a great meeting to bring a guest from a non-BVN member company so they can learn what BVN is all about and then hopefully get energized to join! Please think about someone you can invite and bring them to the meeting.

***If you haven’t already done so, please RSVP by
October 11th to Kathy Martinson kathy.martinson@uwdc.org***
